FULL DESCRIPTION

Discover the exclusive enclave of these 14 villas in Elviria, Marbella. This elegant development, under a cooperative regime, offers the unique opportunity to reside in a select community, where each villa sits on plots of at least 1100 square meters, offering a generous space to enjoy and relax. With an area of around 350 square meters, these residences offer an exquisite and functional design that is complemented by 4 bedrooms and 4 bathrooms, providing spaciousness and comfort for the whole family. Enjoy the Mediterranean lifestyle in your own private pool and take advantage of the large terraces to enjoy the exceptional climate of the Costa del Sol.
