FULL DESCRIPTION

This project is a modern and functional gated residential complex and an ideal place to live. The development consists of 72 one, two and three-bedroom homes on the ground floor, first floor or attic. All of the properties have a south or south-west orientation, and many of them enjoy sea views. Additionally, the ground floor apartments feature a lovely garden, and the penthouses have spacious terraces. All homes have at least one parking space and storage room.

The common areas are areas designed for leisure and sports in a peaceful setting. In this complex, you'll find outstanding garden spaces with a community swimming pool, gym, and social-gourmet room, where you can make the most of your free time.

We have taken care of every detail to turn this development into your future home. We provide attractive homes with an urban, exclusive, and functional design that are equipped to the highest standards. In addition, a wide range of customisations will be available to suit each owner's taste.
