FULL DESCRIPTION

The homes in this project feature 2, 3 or 4 bedrooms and a spacious terrace or garden. The apartments face south or southwest and all have parking. In addition, each unit overlooks the sea and lots of greenery. The large windows of the apartments combined with South(-West) orientation provide a lot of natural light

The complex in which it is located features a communal indoor and outdoor pool, spa, fitness, elevator, sauna, social club and solarium. Moreover, the project is close to a hospital, school and several golf clubs, near Estepona.
