## FULL DESCRIPTION

A contemporary single-family detached villa, one of four is available for sale in the Golden Mile, a residential complex with outdoor heated swimming pools. This villa is fully furnished with designer furniture and features air conditioning, underfloor heating, a Smart Home system, and top-quality rectified porcelain stoneware flooring. The property extends over three levels and features a Mediterranean-style garden and heated outdoor swimming pool. The upper level includes a master bedroom, a ground floor level with 3 bedrooms, 2 bathrooms, and a fully equipped kitchen, while the basement includes a laundry room, family room, sauna, gym, and staff quarters. The property is conveniently located just 900 meters from the beach and nearby services.
