FULL DESCRIPTION

This new project offers 43 stunning units, ranging from 1 to 6 bedrooms, thoughtfully designed to maximize both space and natural light. Each apartment and villa is outfitted with modern amenities to provide a luxurious and comfortable lifestyle.

The community features a variety of shared spaces, including lush green areas, swimming pools, a gym, a spa, coworking facilities, and a restaurant—catering to the everyday needs of residents while enhancing their overall living experience.

Owning a property here grants you access to an exclusive environment, with nearby golf courses, high-end brand stores, and Michelin-starred dining. Its prime location also offers quick access to the beach and Puerto Banús, making it the perfect choice for both living and investment.

With an estimated annual return on investment of around 8%, the project presents a unique opportunity for a luxurious lifestyle and a smart investment.
