Company News

Asset Folio are pleased to announce a collaboration with NUAM the leading development team on the Northern Costa Blanca-

With a stylish approach to contemporary villa design and a meticulous-attention to detail this partnership will give Asset Folio's global client base-access-to some of the best investment and lifestyle options on the coast.

Our new dedicated team will be introducing a range of new and existing projects in the coming weeks including a first for Northern Costa Blanca.

-

The Team

RAMON ESTEVE - ARQUITECTURA DE AUTOR

-

Ramon Esteve is one of the most recognised architects in Spain and abroad. He founded Ramon Esteve Estudio in 1991. He has developed his activity in different fields: architecture,-interior and industrial design, and art direction. He

has obtained various awards in different areas, such as the Interior Design COACV 2011-2013 for the fashion shop Chapeau, the Award-Arquitectura

Plus 2013 Grupo Vía for the CEAM Sant Rafael at Ontinyent, the European Hotel Design Award 2011 for the NH Palacio de Tepa, at the category of Best Hotel Conversion.

The Instituto Valenciano de Arte Moderno has dedicated an exposition to his 20 years of work, also represented at the monography RAMON ESTEVE ARCHITECTURE/DESIGN, distributed-in 35 countries.

Since 2005, he collaborates as a professor at the Architecture School at the Universidad Politécnica de Valencia.

El Instituto Valenciano de Arte Moderno le dedicó recientemente una exposición que repasa sus 20 años de trayectoria, también recogidos en la monografía RAMON ESTEVE-ARCHITECTURE / DESIGN, distribuida en 35 países.

Desde 2005 colabora como profesor en la Escuela de Arquitectura de la Universidad Politécnica de Valencia.

NUAM - WE BUILD THE EXTRAORDINARY

-

At NUAM, we build. Starting with a piece of land, we generate spectacular spaces that change the life of those who-live in them. -Suspended structures, innovative constructions: we take a dream and make it come true. -Who would-not enjoy a job like this?

We are a team of professionals from different disciplines, committed to the promotion and construction of high-quality houses, adapted to the wishes of each of our clients.

We believe in a job well done as the only path to company growth and personal development. That is why we-enjoy paying attention to every detail, based on a strict criteria of quality, safety and envi-ronmental responsibility.

This is how we build a new way of living. A way of living better.

-

Villa Ambolo

Villa Ambolo is located in a stunning front line location, elevated 115 m above sea level, oriented towards the Mediterranean Sea both on the East and Southwest side. The villa offers beautiful views of Ambolo Beach and the Granadella Coastline. The villa has been designed to maximise the spectacular views, creating a luxurious environment, maximising both light and space The villa will stand in landscaped gardens, perfectly integrated to the location-
