INTRODUCING RÍO REAL: A TRANQUIL OASIS

- **A Rich History:** Río Real's story began in the 1960s as one of Marbella's first planned developments. Its vision was to create a haven of peace and tranquility, integrating seamlessly with the natural beauty of the surrounding landscape. This vision holds true today, with lush greenery, mature trees, and the gentle flow of the Río Real river defining the area's character. This commitment to preserving the natural environment is evident in the

abundance of green spaces, walking trails, and the protected pine forest that borders the development.
