The amazing apartment captivates you with its tranquil surroundings right away. The kitchen is sleek and contemporary, open concept, and completely furnished with the newest appliances and technology as you enter through the corridor. Plenty of closet space allows for generous use of surface area.

The dining area, which is elegant yet understated, is visible from the kitchen and is located next to it. The dining room and living room both have direct access to a large terrace, and the area is filled with shadows and reflections thanks to the clever placement and use of mirrors.

There are two bedrooms that are accessible from the living room. Each room exudes calmness as you enter because to their exquisite combination of natural materials, such as pinewood, and their impeccable white attire mixed with delicate grey and neutral stone. Again, clever mirror placement makes space appear to double and light refracts everywhere in each of the bedrooms.

Finished in sleek white and pewter stone, the bathrooms are both elegant and striking. The master bedroom's en suite is sophisticated and in style, with shower cubicles and black-framed glass doors that subtly complement the black accents on the lights, faucets, and other accessories.

The main patio, which has wooden flooring the entire length of it, is equally beautiful. This expansive terrace features a dining area with seating at one end, complete with a living wall, and is adjacent to the outdoor kitchen and barbecue. It invites you to come have a seat and enjoy a cocktail before dinner. Additionally, there's a lounge area with comfortable couches and armchairs for lounging.
